

Scholarship Policy for Trinity Lutheran Church Youth Events

It is the hope of the Youth Ministry Team that all students, regardless of financial ability, have the opportunity to participate in any event that will nurture their spiritual growth in Christ. This policy is open to all students.

Guidelines:

1. The scholarships may be used only for ELCA or Trinity sponsored events.
2. The scholarships may be used for any trip, retreat or camp over \$50.00.

Scholarships:

We offer 25% of the registration fee as a partial scholarship.

Parents/Guardians check this box if you would like to receive this partial scholarship

Parents/Guardians check this box if you need further financial assistance.

Trip Accounts:

Each student has the option of opening a student trip account. As the student participates in Trinity sponsored fundraisers, the money they raise will be deposited into this account. They are welcome to use this money for any ELCA or Trinity sponsored event of their choice. If any money is left in a trip account, upon the student's graduation from High School, the funds will be transferred to the Trinity scholarship account, unless it is specified to a younger sibling.
